

# A HARD DAY'S NIGHT

(John Lennon & Paul McCartney)

G  
          G      C      G                                  C                                  G  
It's been a hard day's night, and I've been working like a dog.  
          G      C      G                                  C                                  G  
It's been a hard day's night. I should be sleeping like a log.  
          C  D7  
But when I get home to you, I find the things that you do  
          G      C      G  
Will make me feel al-right.

          G      C      G                                  C                                  G  
You know I work all day, to get you money to buy you things.  
          G                                  C                                  G                                  C  
G  
And it's worth it just to hear you say – you're gonna give me ev'rything.  
          C  D7  
That's why I love to come home, 'cos when I get you alone  
          G      C      G  
You know I'll be o – kay.  
          D7          Em                                  D7  
When I'm home - ev'rything seems to be al - right.  
          C          Em                                  C                                  D7  
When I'm home – feeling you holding me tight – tight – yeah!

          G      C      G                                  C                                  G  
It's been a hard day's night, and I've been working like a dog.  
          G      C      G                                  C                                  G  
It's been a hard day's night. I should be sleeping like a log.  
          C  D7  
But when I get home to you, I find the things that you do  
          G      C      G  
Will make me feel al - right –  
          G      C      G  
You know I feel al - right –  
          G      C      D7      G  
You know I feel al - right .....
